April 9, 2025

Dear Patient,

You may have recently received a letter from Independence Blue Cross (IBX) stating that we will no longer be participating with them as of 12/31/2024. Please be assured **this letter is completely incorrect** and was due to an administrative error by IBX and they are in the process of correcting their mistake. We remain in good standing with IBX and as a result **all claims are being paid without issue.**

We have **not** canceled, nor do we intend to cancel, our agreement with **Keystone Health Plan East, Keystone 65, Personal Choice, Personal Choice 65, or any of its programs.** You can continue to receive your primary care services with us — we remain fully **in-network.**

We value the trust you place in us for your healthcare, and we will continue to be your primary care provider. If you have any questions or concerns, please don't hesitate to call our office.

Thank you,

The providers and staff of
Ninth Street Internal Medicine Associates
